

Feel Like You Are Held Hostage by Your Web Design Company?

CCL Designs Has the **Solution!**

When **CCL Designs** creates (or re-designs) your website, that's what it becomes: **YOUR WEBSITE**. We do not hold it "hostage" for every future change, addition, or deletion. We design websites using a content management system (CMS) that is user friendly for everybody. **PLUS:** we send you training videos on how to use the CMS, ensuring you will be a success.

THEN YOUR SITE IS RELEASED TO YOU!!

*High search rankings take 3-6 months and continued SEO monitoring and maintenance. CCL Designs does not guarantee high SERP rankings based on one time SEO implementation. Inquire about SEO monthly maintenance. Don't have Social Media? CCL Designs will create the artwork as well as manage your pages for additional fees. Ask about our Social Media packages. Need a new logo? Inquire about our Logo Design. Extra Fee Services, if desired: If photography is needed, ask about our (local) photography packages. **PLEASE NOTE: Domain registration and hosting fees are NOT included. CCL Designs offers hosting. If the website requires e-commerce, additional fees may apply. It's important to maintain your Wordpress site. Inquire about our monthly website maintenance packages.**
